

## Holyoke Catholic High School Uniform Policy 2007-2008

All clothing **must** be purchased through Donnelly's School Apparel. Accessories (socks, stockings, belts, ties) are available through Donnelly's but they do not have to be purchased there. *Students will be considered out of uniform if they do not have the Donnelly's logo/school seal on pants, shorts, capris, shirts, polos, and blazers.*

Students are encouraged to make as many choices as they wish. Students do not have to purchase every style and/or color. For example: students are not required to purchase summer clothing. Blazers, sweaters, vests, and sweatshirts are optional.

## **CODE OF BEHAVIOR**

All students at Catholic have the right to learn in an atmosphere characterized by respect, trust, fairness, and peace. The code of conduct and other policies described in the Student Handbook demonstrate the school's commitment to provide such an atmosphere.

### **Attire**

All students shall come to school properly dressed and ready to learn. A healthy learning environment is created when students present an appropriate appearance and conduct themselves properly.

The dean of students is the final arbiter of standards in this regard.

However, the home shares the responsibility with the school for teaching students that there are proper modes of dress for certain times, places, and activities.

The uniform policy must be adhered to at all times unless special and specific permission is given for an alternative mode of dress by the dean of students.

The teachers will check for conformance to the uniform policy in the first period and throughout the day.

Parents will be informed of any student not conforming to the rules and regulations of the school and will be asked to bring their child a proper change of clothing.
